

STEWARD OBJECTIVES

- To set a tone and model of mutual respect in the workplace.
- To enhance and optimize quality of life on and off the job.
- To help to establish procedures and policies within the boundaries of our collective bargaining agreement.
- To help link the rank and file to the local union, District Council and community through activity and education.
- To act as a conduit of information between the members and their representatives.
- To monitor and uphold contract compliance and general safety on the job.
